

## Voices into Action

Including the voices of learners and their families  
in educational decision-making

Opening words

Michael Teutsch  
European Commission,  
Directorate-General for Education, Youth,  
Sport and Culture

# Examples of EU policy and practice

- European Year of Youth 2022
- UN Convention on the Rights of the Child
- Young people's voice in EU consultation processes: pathways to school success, European citizens' panels mobility framework
- Pathways to school success policy framework: Learner-centred curricula, involvement of young people in creation of learning material, in school and classroom decision-making, in monitoring & evaluation
