<td><strong>1.1. Provision that is available and affordable to all families and their children.</strong></td>
<td>Policy and legal provision at national level&lt;br&gt;1. Is policy and legal entitlement to pre-primary education (PPE) available for all children from 3 years onwards? Is there regulation for PPE provisions to accept for enrolment all children without exception, whatever their characteristics?&lt;br&gt;2. Has a 1-2-year PPE been made compulsory for all children?&lt;br&gt;3. Are arrangements in place for smooth transition from home/ ECEC into PPE and from PPE into primary education for all children, particularly those at risk of discrimination and social exclusion?&lt;br&gt;4. Is there any specific policy calling for PPE provision to be inclusive?&lt;br&gt;5. Is there any specific policy for ensuring that children who may have difficulty attending or participating in PPE activities are identified early?&lt;br&gt;6. What additional policy measures of support (e.g. social welfare, health, etc) are available for children at risk and their families?&lt;br&gt;&lt;br&gt;Practice at national level&lt;br&gt;7. What proportion of children 3yrs to compulsory (primary) education attend PPE provision?&lt;br&gt;8. What proportion of children at risk (e.g. children with identified disabilities, minority ethnic status ...) attend PPE?&lt;br&gt;9. Which children and families have most difficulty accessing PPE? Are there children who actually cannot access PPE for any reason? If yes why?&lt;br&gt;10. What arrangements are available for inter-services economic, health and social collaboration for supporting families at risk to be able to take their children to PPE?&lt;br&gt;11. Is there provision for additional support, including technological support, for children with additional needs to access PPE?</td>
<td>Interpretation of national and regional policy provisions at local level&lt;br&gt;Interviews with IPPE provision stakeholders&lt;br&gt;1. Do you have any formal or informal policies regarding inclusive PPE provisions? How are your policies related to national or regional policy?&lt;br&gt;2. Can all children in the locality enrol at your PPE provision (3yrs to compulsory education)?&lt;br&gt;3. Do all children in the locality aged 3yrs-compulsory education attend PPE? What proportion attends? If not, why not?&lt;br&gt;4. Are children of families from disadvantaged backgrounds actively encouraged and enabled to attend PPE?&lt;br&gt;5. What proportion of children aged 3yrs-compulsory education do you consider to be at risk? What types of individual and contextual conditions create risk for attendance and engagement?&lt;br&gt;6. Are there any families in your locality who do not try or do not succeed to access PPE? If yes, what type and why?&lt;br&gt;7. Have you had to turn away applicants to your PPE provision? If yes why?&lt;br&gt;8. What transition arrangements do you make for all children to move from home/early childhood care to PPE and from PPE to primary education?&lt;br&gt;9. Can children and families visit the program before starting to attend it?&lt;br&gt;10. Can parents negotiate attendance hours?&lt;br&gt;11. How regular is the attendance of children and particularly of those at risk?&lt;br&gt;12. What multi-sectorial support (e.g. social welfare and health) is available for children who attend your PPE? How far is it used by families and your facility?&lt;br&gt;13. Is your PPE provision physically accessible to all, including wheelchair users?&lt;br&gt;14. Is transport provision to and from your PPE facilities adapted for children at risk?&lt;br&gt;15. Are any children formally identified as having additional needs? How are they usually identified?&lt;br&gt;16. Do you have a support system to ensure that all children, including those at risk, can be enabled to engage actively in learning?</td>
<td>1. Are children happy to attend IPPE?&lt;br&gt;2. Are all children increasingly actively engaged in learning and social activities?&lt;br&gt;3. Are children at risk participating increasingly more actively in all learning and social activities?</td>
