Pikku Putiikki ("Small Boutique")

The logo for Pikku Putiikki, featuring the text "Pikku Putiikki" in black with two red hearts above the 'i's, and "Sydämellistä palvelua" in red script below it.

- Learning environment of Business and Administration students
- Customer care, selling, marketing, campaigning planning, decoration and business development
- In their first year the students are mainly working as a salespersons (1-2 day per week)
- On second year they are taking part of planning the campaigns and working as a purchasing agents when planning the selection of products
- On their third year they are developing the business operations and economy and mainly working in back office
- Some of the products sold in Boutique are made by students in other Luovi units. We also have a business companion who delivers products for us

Pikku Porstua (Café Small Lobby)

VOCATIONAL COLLEGE

- Lobby cafeteria as a learning environment for students from all vocational studies
- Individual guidance as usually there is only one student at the time practising
- Cafeteria is very popular among the student and staff, there is lots of customers

Thank you for your attention.
