**INCLUSION**

**OTHER FIELDS OF WORK**

# Integration

of the Deaf, hard-of-hearing and speech- and language- impaired in mainstream education has been practised for decades.

- The number of integrated children has been rising every year.

Cohlear Implant: device that mimics the function of the inner ear and transmits sound information by means of electric current in the auditory nerve.

# Suggestion of the Steering Committee

- In Slovenia, the children who have special needs, **examine** Steering Committee.
- They determines the **type of education for each children** (special or mainstream school).
- Upon their suggestion children (the Deaf and hard-of-hearing and speech- and language- impaired) **have the right to:**
  - **individual help** - number of hours per week for additional individual assistance;
  - **adjustments** in the educational process, examinations and **enrolment** in secondary schools.

# In the academic year 2010/2011

**20 professional workers,**  
employed at the our institute has carried out  
**350 hours additional assistance** per week:

- **287 hours** special assistance for children who are **Deaf or hard-of-hearing** and
- **63 hours** special assistance for children **with speech- and language- disorders.**

# Our teachers

are carried out additional individual assistance for **225** children and adolescents:

- **64 pre-school** children,
- **136 pupils** in primary school and
- **25 students.**

# Slovenia

# Co-operation our School experts with integrated children

- We prepare and carry out **workshops and lectures** on deafness and impaired hearing for **their parents, teachers and other pupils** in mainstream schools.
- We also deliver **seminars for experts** on subjects related to education and personal development.
- We run **groups of Deaf and hard-of-hearing children and adolescents and their parents.**

**Our purpose is**

**a successful social  
integration of the  
children in the hearing  
environment;**

**raising the awarness of  
the public about  
deafness and various  
handicaps.**
